

NORTH OTAGO IRRIGATION COMPANY

Tertiary Scholarship

Each year North Otago Irrigation Company (NOIC) awards a \$1500 scholarship to a student with a connection to the Waitaki District who is continuing on to tertiary education, and whose course of study has a focus on sustainability, environmental science, agricultural innovation, environmental management or areas of engineering and science leading to roles with the potential to create better environmental outcomes for New Zealand.

ELIGIBILITY:

Open to

- i) any year 12 or 13 student currently studying or someone who has previously studied at one of the Waitaki high schools.
 - * St Kevin's College
 - * Waitaki Boys' High School
 - * Waitaki Girls' High School
- ii) any student boarding or studying out of the Waitaki area whose immediate family live and work in the Waitaki region.

APPLICATION:

Applicants are required to complete the application form (extra pages can be included).

Applications must be returned to NOIC care of the Aqus office or scanned and emailed to office@aqus.co.nz by **5pm 31 October 2025**.

PROCESS:

Applicants may be short-listed and those applicants will be invited to a short question and answer session with Aqus staff (on behalf of NOIC). The winner will be announced in November 2025.

The scholarship recipient will have half the scholarship paid in term one (once the term one subjects are confirmed) and half paid in term two (once the term two subjects are confirmed).
